

BE AN INTERN OR VOLUNTEER

# THE UCSC CENTER FOR AGROECOLOGY AND SUSTAINABLE FOOD SYSTEMS

Located at the UCSC Farm & Garden and at Oakes College,  
the Center sponsors various internship/volunteer opportunities.

For more information, please contact the following individuals in your area of interest –

## **ORGANIC FARMING AND GARDENING**

Work directly on farm- and garden-related tasks such as composting, seed saving, beneficial habitat management, propagating plants, weeding, and harvesting.

Liz Milazzo CSA/Farm-to-College Coordinator  
(Farm Field)  
459-4661, [emilazzo@ucsc.edu](mailto:emilazzo@ucsc.edu)

Christof Bernau, Garden Manager (Farm Garden)  
459-3375, [christof@ucsc.edu](mailto:christof@ucsc.edu)

Orin Martin, Garden Manager (Chadwick Garden)  
251-8944

## **FARMING SYSTEMS RESEARCH AND FIELD WORK**

Gain field and lab research experience exploring strategies in organic strawberry & vegetable production, fertility and pest management, and water quality monitoring.

Joji Muramoto, Associate Researcher  
459-2506, [joji@ucsc.edu](mailto:joji@ucsc.edu)

Janet Bryer, Associate Researcher  
459-5529, [jbryer@ucsc.edu](mailto:jbryer@ucsc.edu)

## **FOOD SYSTEMS RESEARCH**

Gain research experience in food systems and social justice, including farm-to-college projects.

Jan Perez, Associate Specialist  
459-3235, [jperez@ucsc.edu](mailto:jperez@ucsc.edu)

Tim Galarneau, Food Systems Researcher,  
459-3248, [tgalarne@ucsc.edu](mailto:tgalarne@ucsc.edu)

Liz Milazzo, CSA/Farm-to-College Coordinator  
459-4661, [emilazzo@ucsc.edu](mailto:emilazzo@ucsc.edu)

## **LIFE LAB GARDEN CLASSROOM FIELD TRIPS**

Teach standards-based science, gardening and sustainable agriculture concepts to local school groups (pre school - 6th). Interns receive training in: garden-based science education, working with children, organic gardening, environmental education, games, activities, and much more! Internships available Fall, Winter and Spring quarters.

Amy Carlson, Garden Education Coordinator  
459-4035, [gardened@lifelab.org](mailto:gardened@lifelab.org)  
[www.lifelab.org](http://www.lifelab.org)

THE FARM & CHADWICK GARDEN ARE OPEN TO VISITORS EVERY DAY. A SELF-GUIDED TOUR BOOKLET IS AVAILABLE AT THE FARM ENTRANCE GATE. CALL 459-3240 FOR INFORMATION.

**EARN CREDIT WORKING AT UCSC'S MOST BEAUTIFUL SPOT !**
